

Comprehensive Warranty Program

This document details of coverage and limitations for following warranties for engineered vinyl flooring:

- Lifetime Limited Residential Wear Warranty
- Lifetime Limited Structure Warranty
- Lifetime Limited Waterproof Warranty
- 10 Year Limited Light Commercial Wear Warranty

Lifetime Limited Residential Wear Warranty

The vinyl layer of the floor plank is warranted not to wear through under normal use for the life of the product. Vinyl layer wear-through is defined as 100% vinyl layer wear-through that exposes the core material over a minimum of 3% of the total installation. (Gloss reduction or surface scratches are not considered surface wear.) Dull finish can be corrected with spot or overall recoating care systems. If 100% vinyl layer wear-through is determined to have occurred, _____ will arrange a pro-rated credit based on the terms outlined below in the section headed "Terms". This warranty is non-transferable and applies only to the original purchaser.

This lifetime limited residential wear warranty is made subject to the following conditions:

1. The floor must be installed properly and according to installation instructions. Proper installation includes, but is not limited to the following:
 - a. If glue is used, glue entire floor with glue that meets or exceeds PVAC dispersion with a viscosity of 8000 +/- 1000 cpc spindle 6/20 at 20 degrees centigrade – density of 1.11 +/- 0.02 g/cm on a dry content of 48 +/- 1% (weight). Upon completion of glued installation, the floor must be allowed to set overnight for 24 hours before resuming normal usage of the room.
2. The flooring must be used only indoors in a dry, climate controlled area. In areas that are not climate controlled or exposed to direct sunshine with temperatures potentially exceeding 140 degrees Fahrenheit, Abraham Linc recommends gluing down the floor to prevent possible distortion due to dimensional stability changes.
3. The flooring must be used only indoors.
4. The flooring must be maintained in accordance with Abraham Linc maintenance instructions.
5. This limited warranty does not apply to Abraham Linc moldings and trims.
6. Installation of flooring that contains any manufacturing defect is not covered by this limited warranty.

Lifetime Limited Structure Warranty

The floor plank is warranted to be free from manufacturing or material defects for the life of the product. Should a defect occur, _____ will arrange a credit based on the original purchase of the product. Should a problem attributable as a manufacturing defect develop after flooring is installed, the cost of labor for repair will be covered by this warranty. This warranty is not transferable by the purchaser of the floor.

Lifetime Limited Structure Warranty Coverage: Upon determination of a valid manufacturing defect, credit will be issued to the dealer and will be good toward the purchase of a replacement. When a defective product is installed, credit applies to material only and does not include labor since it is the responsibility of the installer to determine suitability of material prior to installation. Should a problem attributable to a manufacturing defect develop after flooring is installed, the cost of labor for repair will be covered by the Lifetime Limited Structure Warranty.

The Limited Lifetime Residential Wear and Lifetime Limited Structure Warranty do not cover:

1. Damage due to adhesives or tape, scratches, gouges, scuffs, punctures, cuts, indentations, burns, accidents, lack of proper furniture rests or any intentional misuse of the product. Loss of finish gloss over time is consistent with normal wear & tear and is not a product flaw.
2. It is normal and expected for there to be color variations due to use of natural components, exposure to UV light and/or sunlight, and age of material. Therefore, color inconsistency between samples, replacement product or illustrations and actual product is not a manufacturing flaw.
3. Manufacturer makes no guarantee that Abraham Linc products will match or coordinate with customer furnishings, trim, cabinetry, railings, etc.
4. Noncompliance with installation instructions and maintenance guidelines. Manufacturer cannot assume responsibility for the suitability of flooring material and accompanying products for each individual installation as manufacturer has no control over the installer's proper application. Should an individual piece be doubtful as to appearance or dimension the installer should not use this piece.
5. Cracking, warping, soiling, fading, improper maintenance or abuse caused by items such as roller skates, golf shoes or pets.
6. Floor covering installed in inappropriate locations is excluded from this warranty.

- a. If glue is used, glue entire floor with glue that meets or exceeds PVAC dispersion with a viscosity of 8000 +/- 1000 cpc spindle 6/20 at 20 degrees centigrade – density of 1.11 +/- 0.02 g/cm on a dry content of 48 +/- 1% (weight). Upon completion of glued installation, the floor must be allowed to set overnight for 24 hours before resuming normal usage of the room.

Abraham Linc

8. The flooring must be used only indoors in a dry, climate controlled area. In areas that are not climate controlled or exposed to direct sunshine with temperatures potentially exceeding 110 degrees Fahrenheit, FloorSource recommends gluing down the floor to prevent possible distortion due to dimensional stability changes.
9. The flooring must be maintained in accordance with FloorSource maintenance instructions.
10. This limited warranty does not apply to FloorSource moldings and trims.
11. Installation of flooring that contains any manufacturing defect is not covered by this limited warranty.

The 10 Year Medium Commercial Limited Wear Warranty does not cover:

1. Damage due to adhesives or tape, scratches, gouges, scuffs, punctures, cuts, indentations, burns, accidents, lack of proper furniture rests or any intentional misuse of the product. Loss of finish gloss over time is consistent with normal wear & tear and is not a product flaw.
2. It is normal and expected for there to be color variations due to use of natural components, exposure to UV light and/or sunlight, and age of material. Therefore, color inconsistency between samples, replacement product or illustrations and actual product is not a manufacturing flaw.
3. Manufacturer makes no guarantee that FloorSource products will match or coordinate with customer furnishings, trim, cabinetry, railings, etc.
4. Noncompliance with installation instructions and maintenance guidelines as recommended by FloorSource Manufacturer cannot assume responsibility for the suitability of flooring material and accompanying products for each individual installation as manufacturer has no control over the installer's proper application. Should an individual piece be doubtful as to appearance or dimension the installer should not use this piece.
5. Cracking, warping, soiling, fading, improper maintenance or abuse caused by items such as roller skates, golf shoes or pets.
6. Floor covering installed in inappropriate locations is excluded from this warranty.
7. Gloss reduction or surface scratches are not considered surface wear. Dull finish can be corrected with spot or overall recoating care systems.

Terms of 10 Year Commercial Warranty:

- ***Within One Year:*** Claims on defects of this product as covered by this warranty that is reported in writing within one year of purchase, FloorSource will arrange a credit based on the original purchase of the product or replace the product. Reasonable labor costs are included.
